

DECLARATION OF CONFORMITY

Manufacturer: Suomen Logistigo Oy
Haapaniementie 1
40800 Vaajakoski
Finland

Product: DROP-LESS FACESHIELD

Personal protection visor protecting the user from airborne mixtures, splashes, liquid droplets and flying debris including harmful biological agents such as bacteria and viruses.

This declaration of conformity has been issued under the sole responsibility of the manufacturer.

DROP-LESS FACESHIELD and date of manufacture are identifiable by product markings on product frame. Visor may be replaced using original DROP-LESS replacement visor.

The object of this declaration is in conformity with the relevant Union harmonisation legislation related to PPE, including regulation (EU) 2016/425.

Harmonized standards applied: EN 166:2001

Other applied standards: EN 168:2001 (testing)
EN 167:2001 (testing)
EN ISO 13688:2013 (material safety evaluation)
EN 14971:2012 (medical use risk assessment)

Conformity assessment procedures:

PPE category III EU type-examination (module B) set out in (EU) 425/2016 Annex V combined with quality assurance of the production process (module C2) set out in (EU) 2016/425 Annex VII.

Product type-examination approved by SATRA Technology Europe Ltd (NOBO 2777), technical reports/approval documents SPC0304544/2045, SPC0306391/2051 issue 2, SPC 0306391/2051/LH, SATRA customer number P21089.

Manufacturer production process quality control (ISO 9001:2015) is continuously assessed by Bureau Veritas Certification Holding SAS (certificate number DK013955).

PPE is subject to manufacturer continuous internal quality control and manufacturing quality surveillance SATRA Technology Europe Ltd (NOBO 2777).

Signed on behalf of Suomen Logistigo Oy:

Vaajakoski 28.4.2021

Kari Vuorela, Managing Director
